Dear Sir:

The game in Richmond between the Newark Eagles and N. Y. Black Yankees on Wednesday Night, June 21st has been O. K. by the League.

I wrote you yesterday there were negotiations under way and I would advise you as soon as I received the final word. Will appreciate confirmation from you by return mail, or you may wire me "Collect" that we can have the Park. It is necessary to hear at once because we order placards to advertize the game, and this work of course takes a little while.

Very truly yours,
